

Our Vision

By the end of 2015, St Luke's will be a school where....

Key Area 1

Catholic Life & Religious Education

We give witness to our Catholic identity through celebrating our Mission

Key Area 2

Students and Their Learning

Students are engaged in a differentiated curriculum to acquire deep learning

Key Area 3

Pedagogy

Contemporary teaching practices enable learners to construct personal meaning

Key Area 8

Knowledge Management & ICT

A school-wide commitment is evident to providing and maintaining ICT infrastructure to support eLearning opportunities

Our Mission

At St Luke's, we are committed to

Living our Faith

Creating Life-long Learners
Building Authentic Relationships

Key Area 4

HR Leadership and Management

A professional learning culture informs pedagogy

Key Area 7

Strategic Leadership and Management

A culture of continuous review and improvement is evident

Key Area 6

Parents, Partnership, Consultation and Communication

Parents are active participants in the parish school community

Key Area 5

Resources Finances & Facilities

Contemporary resources and facilities support teaching and learning and a commitment to environmental stewardships.
